On the first day of the week, very early in the \_\_\_\_\_, the woman took the spices they had prepared and went to the tomb. They found the \_\_\_\_\_ rolled away from the tomb, but when they entered, they did not find the \_\_\_\_\_ of the Lord Jesus. While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. In their fright the women bowed down with their faces to the ground, but the men said to them, “Why do you look for the \_\_\_\_\_ among the dead? He is not here; he has \_\_\_\_\_! Remember how he told you, while he was still with you in Galilee: ‘The Son of Man must be delivered over the hands of sinners, be crucified and on the \_\_\_\_\_ day be raised again.’” Then they remembered his words. When they came back from the tomb, they told all these things to the Eleven and to all the others. It was Mary Magdalene, Joanna, Mary the mother of James, and the others with them who told this to the apostles. But they did not \_\_\_\_\_ the women, because their words seemed to them like nonsense. Peter, however, got up and \_\_\_\_\_ to the tomb. Bending over, he saw the strips of linen lying by themselves, and he went away, wondering to himself what had happened. Later Jesus appeared to the disciples and opened their mind to understand the scriptures. And he said, “Yes, it was written long ago that the Messiah would suffer and die and rise from the dead on the third day.”

# Easter Crafts

## Supplies Needed:

Cardboard  
Scissors  
Tin Foil  
Colored Sharpies

## Instructions:

1. Cut out an egg shape from your cardboard.
2. Tear off a piece of tin foil from your roll. Lay your egg on top of it and then fold the tin foil edges over the egg all over so the front of the egg is completely covered in the foil.
3. Leaving the lid on the Sharpie marker, have your child use it to draw lines and designs all over the tin foil Easter egg.
4. When they are finished drawing designs, they can use all of the Sharpie markers to trace over their designs and add any more details that they'd like.

# Easter Crafts

## Materials

cross template  
paper plate  
craft paint (color of your choice)  
yarn paint (color of your choice)  
pencil  
tape  
paint brush

## Tools

scissors  
craft knife  
hole punch  
plastic yarn needle

## Instructions:

1. Start by painting the paper plate and set it aside to dry completely.
2. Draw out a cross in the middle of the painted paper plate.
3. Use a craft knife to cut out the cross. (This is an adult only step)
4. Use a hole punch to make holes along the four ends of the cross.
5. Cut a strand of yarn, thread it through the plastic yarn needle and tie one end to the needle. Tape the other end of the yarn at the back of the paper plate. You can now start threading the yarn through the holes in the paper plate. You can go through the holes once or several times. Keep on threading until you reach the end of your yarn. Secure the end of the yarn to the back of the paper plate with tape.

We started with the crossbar and then moved to the vertical part. Kids can intertwine the yarn or not, depending on their age.
